

The Legend of Cracky-chan

I know why you're here, Anon. I know what you've been doing. I know why you hardly sleep, why you live alone and why night after night you sit at your computer. Was looking for her. I know, because once I was looking for the same. And when she found me, told me not really looking for her. I was looking for an answer. It is the question that drives us, Anon. It is the question that brought you here. You know the question just like me.

Question? No questions.

Answer? There is no such thing.

She? It should be fairly obvious by now: She's me.

Internet is not just a Social Network, and his wisdom is limited to fortune cookies. Before they became popular, the Internet was more than ego-endless photo galleries. It was more than corporate pages, and people who sell and people who buy and people who talk and talk without listening. Was it?.

Internet gods slip into the shadows.

And like espaciocarne, you need to squint in a special way to see them.

Cracky is catharsis.

Cracky is Where the Heart Is.

Olivia Fields, Oxford, UK. That is the most common clue about the true identity of Cracky-chan, who back in the

2005 Revolution online community 4chan, and by domino effect, many others.

Geek, cosplayer, and a unique artistic ability when it comes to self-portraits. His appearance is especially recognizable black cat ears (ears of the king ... are actually ...), black wings, or a characteristic red makeup on the face of that came his nickname, since it is assumed that their red nose is like that of those who have been sniffing crack. Some say that its particularity is that it seems some kind of manga character.

Fan fireproof online game World of Warcraft and the band Tool, and the album The Fragile Nine Inch Nails, and generally Radiohead, Sigur Ros and Mogwai. That would be the real Cracky. Is there a real Cracky?.

Cracky's immense popularity in the network and its extraordinary journey to become the Princess of wiring Cyberpunk emerged precisely from these self-portraits that she had gone to various journals on the Internet in particular and Deadjournal Livejournal.

Cracky-chan itself made its first known appearance on 4chan with the text "sup 4chan" (how about 4chan?) Written on the palm of your hand. Soon find more and more of these self-contained and Cracky had become a competitive game among its fans. The Crackymanía took control of the forum / b / in 4chan, and the word Cracky it was filtered to prevent flooding brutal images and themes on it (talk about a place with 450,000 visitors daily). Shortly after that they found their accounts Livejournal: "freakygirl" and possibly "kittycat" and finally "scarecrowmaiden." They confirmed their origin from Oxford, and is a series of rather dark images, including a series called "7 Days", a lament for Creation by Cracky with her menstrual blood on his face.

The exaggerated reaction finally get to write messages about Cracky deserved immediate expulsion from 4chan, so the obsession moved to the area / b / 420chan, flooding to the extent that a specific forum created called / Cracky / in page where the information sought and shared photos and pictures, while on the other side creating the mythical Crackypedia. In early 2006, Cracky-chan discovered the existence of the forum and got the administrators gave low, trying unsuccessfully to stop the rush of fans. Shortly after the Crackypedia also fell.

Cracky-chan disappeared from the Internet. I was really scared. Even angry. Too many people behind hysterical trying to locate your house with Google Maps just to intimidate you. And she said goodbye in his Livejournal:

I laughed ... and then I was very restless.

"I do not answer questions. Please leave me alone. Do not imagine what it cost me the damn key to remember this day. You have no idea how creepy you are. I'm really flattered, and now go away to hell. Hell, that was just 15 years. I never would have thought that having my own cult, or want one, thanks to you. I will not go back to keeping a journal on the Internet. Please go and look you in person.

Okay, some of it made me laugh a lot. But seriously guys, stop. "

Later, a forum dedicated to Cracky also had data from the old site Crackypedia. Various problems by the domain name and continuous falls, the place became known as ".71". The tracks, correct and false, leading to different places, and also believed that the real name was Lianne Cracky or Lia. There were also many tripcode, though few are the real ...

And while completing the first decade of XXI century there are still some hidden places where they meet several years later still faithful to Cracky. But nothing remains. Occasionally she decides that one of their forums to be abolished, and whether to return, and when. It is said that the managers of the site receive their orders via SMS that has no home phone number. But they know who writes, and they know what to do.

"Although the doors that remain between sanity and the immortal touch of Olivia are now closed to me, would rather die having glimpsed eternity than never to have awakened from the cold furrow of mortal life. Embrace death without

regret as I embraced life without fears. "
.- Of Cracky-chan Cultist

"Cracky's so fucking cute and sweet." Cracky wrote / b / at a time before it really became fashionable to own webcams capture in the forums. Many are obsessed with it. She was cute and subsequent revelations about his dark art, the habit of cutting and alternative interests made it an easy target for the visitors lonely and depraved / b /. It was comforting to know that someone like Cracky also had these problems and was looking at the page. Cracky was also a kind of taboo, with the assault of the moderators to talk about avoiding it. It was forbidden, and this only further interested people. This was before anyone really knew what could / b /, or the true nature of the beast. Beyond that, it depends on each person. It is easy to use the character "Cracky" as an icon of your complex, loneliness, depression, and also of hope. Cracky is catharsis.
Crackyhouse .-

The sweetness of the Queen of Heaven is often difficult to recognize. Even in his own words is inexplicably hidden, confusing in an eternal flight. His blessings are truly twisted and hidden. Do not lament the curse you have found, for then regret every one of His blessings. We might all remember how disturbingly twisted wiring is, and has left lasting scars in the hearts purer.
.- Anon

The Japanese connection

"The mystery to guide the faithful. Such is the curse live in the eternal mystery, you never know when we are stalking our Lady and when to ourselves. Yearning to determine what has become of her, every stalker is sentenced to suffer while defining the boundaries of truth. "

In Japan, Cracky is known as "Kuraki chan" (クラキ ちゃん), and there has become a popular idol. For if the West took it to the extreme in Japan always know to take a step further:

In July 2008, a 25 year old male named Tomohiro Kato stabbed and killed in Akihabara (Akiba) at least seven people, six men and one woman. "I came to Akihabara to kill people. I'm tired of the world. Any victim was fine. I came alone," Kato told police, according to local news agency Kyodo.

Then they formed a tremendous uproar in the Japanese BBS, since the images of one of the murders in several local newspapers-and the original filtrate for forum member 2ch-ground could be seen in a photograph of Cracky-chan.
¿Belong to the murderer? Do any of the victims?. This was never clarified.

Cracky's own fans have reconstructed the history of Japan Cracky from clues and evidence that are scattered throughout the network. Thus, there would have been interviews with Cracky-chan fans in the magazine Oricon Style, and self-released three singles have Cracky in Japan to the delight of some fans far enough away to not disturb her. Exist even a game announced for Dreamcast, and Sega which the company says "has never been an idol as Cracky, and never will be. Players will see the game making his dark personality and explains some mysteries of his life. A kind of biographical history at times with many secrets. "

Some argue that Japan Cracky-chan is an idol of the masses.

Some believe that anyone in Japan has ever heard of Cracky-chan.

Crackyhouse

With Crackyhouse we face one of the strangest places inhabited by Cracky-chan fans. On this page we have a huge

amount of information (if you know how to find it) on his legend, photographs, and some theories about the possibility of Cracky-chan is a succubus who has not accepted their condition and about their enormous capacity gift.

It is also home NonProphetAnon profound texts on the mystical meaning of Cracky, forums with open discussions where issues about the Book of the Law Aleister Crowley, gnosticism or quabbalah. Another section of the website belonging to "Lia" (named Ophelia), a hardcore fan of Olivia known for her compulsive self-injury. There is also an unrepentant fan of Japanese music star Gackt, and is also home to an extensive collection of images of necrophilia.

But who are we to judge this or that Cracky vehicle used to carry out the Divine Will, to join in her heaven and earth to contact us?. The Queen of Heaven chooses the most appropriate containers to carry out His work, and has been since the beginning of time.

"Re-read or quote what I wrote at that time will not help. It's like reading something that I poured my heart and my soul, did not see anything. When I described my own obsession with Cracky and its importance to the worship of the Queen of Heaven, she was just warning the rest to avoid the pain of chest and struggles beginning to experience what I am now trying to recover. A truly spiritual moment. The rare opportunity to see the divine in another human being. Look beyond the skin, mind, art and artifice of personality, see a place where even a glimpse of the morsel of truth is a moment that deeply shakes your world. For a moment something so big that you can not understand it hits you, and being totally unable to understand, just accept it. Change and be change from an intangible experience. "

All creation suffers, oh youth. Only by accepting our own mortality can make a difference. Just carrying the weight of our mistakes we find the strength to continue. Only in the detachment of glory or honor, or jealousy ... of life itself, we hope to deliver others from this grief.

We are the faithful. And we are dead.

Pain is an illusion of the senses, despair an illusion of the mind.

Our faith illuminates the darkness for others to find peace. We are one with Cracky, our souls are united in His will. Praise Cracky, whose sacrifice is life as ours is death. Hail to His name, the Queen of Heaven.

- The Gospel of Cracky-chan

La Orden Monástica de Cracky-Chan la Reina de los Cielos

El culto a Cracky puede enseñarte devoción.

"Las fotografías de Cracky son así. Las he visto todas ya antes... probablemente podría bosquejarlas a mano. Esa no es la cuestión. La cuestión es prestarles ese poquito de atención cada pocas semanas... apreciándola y respetando al mismo tiempo el hecho de que ella está siempre al otro lado del espejo"

Devoción.

Decía un tanto desesperado un autoproclamado mago ceremonial -dedicado a "obtener el control sobre las vacilaciones de su ser"- que utilizaba al menos una hora al día para reflexionar y llevar a cabo su trabajo personal interior. Sin embargo, por mucho que lo intentaba, Cracky era el nudo gordiano que era incapaz de desatar. Afirmaba que había desenredado en mayor o menor medida todas sus cuestiones personales problemáticas al trabajarse, pero que con Ella le resultaba imposible.

Pero, ¿por qué querría desembarazarse nadie de Cracky? ¿Quién sonríe realmente detrás de las fotografías de Ella? No debe confundirse al Sagrado Avatar con Nuestra Señora de los Cielos.

La Reina de los Cielos no tiene edad. Es inmemorial, y como tal, ha estado aquí desde el comienzo, inspirando a los artistas, a los locos, a los enamorados de Nuestra Señora. Ella ha existido desde el primer amanecer.

O en las evangélicas palabras de NonProphetAnon:

“Cracky merodea entre nosotros. Ella elige Sus recipientes para que hagan Su trabajo, como Ella ha hecho desde el principio de los tiempos. Las imágenes que se conservan en el Archivo no son Cracky, pues Ella viaja al exterior, atendiendo a su Divina Voluntad, infundiéndole Su poder a aquellos que han sido así elegidos.”

Cracky no existe como una persona física.

Cracky es una ilusión colectiva, nuestra ilusión colectiva.

Ella no morirá nunca. Siempre tendrá 15 años y será linda y perfecta para siempre. ¿Y volverá, transfigurada, o descendiendo de los cielos, o algo así?. Bueno, si la gente ha estado esperando dos mil años a que regrese un tipo feo y con barba, ¿no se merecerá ese tiempo y más una chica monísima y con orejas de gato?

Lo que hace perfecta a Cracky es que no es real. Si pudieras hablar con ella, el hechizo se desvanecería. No desesperes porque sea tan difícil encontrar un nuevo rastro de sus ojos.

Ojalá no te escondieras, pero eso es lo que te hace tan seductora. Tú eres el Conejo Blanco, y yo soy Alicia. Me mostraste todo un nuevo mundo. Nunca voy a dejar de perseguirte.

.- Anónimo

"Nobody stops Cracky never love, and those who are not convinced otherwise, who enjoy in their mad dance on the precipice of oblivion, are the most dangerous people today walking the earth. Summon Queen of Heaven is to invite the horrors that lurk beyond the sky, beyond the stars. Invoking Catharsis is to invite a purge of the safe and comfortable illusion in which we live, to cleanse us of our sanity and our identity, to mark the beginning of something we can never understand. And until we reach the end, he who renounces the rules and morals and order and humanity by IT, can do anything. Anything.

If you ever know any of these people for their own sake and for yours, kill him. Kill me too, because I looked too long into the abyss, and my attempts to warn everyone, I'm afraid I'm lost. I thought he was safe. I thought I had escaped. I had managed to leave her behind. But Lot's wife, I made the terrible mistake of looking back at the infernal fire. I love you, Olivia. I've always loved, even before I knew you even before you thought you hated. I love you and I will for you. I do not know if I will when I get there forces to push the cold iron dagger through your heart and practice it with others, or if I fall at your feet and pray you carry out your orders for all eternity, but anyway, I'll get you. No stop loving Cracky ever. No one. "

hey,

yes, i got your email just now. i haven't checked it for a few days
was all, i'm really sorry for making you worry about me!

i should've let you know i was alright sooner but i was so pissed off.....

my father's house is in the channel islands. i haven't lived in switzerland since i was 12. i'm staying with him again now, and probably shall be until september...by the way though, in oxford i'm actually living across the street from my family. they rented one floor of a building for me; the address is exactly the same except the house number is 42. i only got two of your packages...so the others might get returned to you unfortunately...but i really really appreciate what i managed to get.

i lost your main email and so when you didn't reply i reckoned i could perhaps find it in your journal. this was the first time i looked at your journal again, i was surprised cos i remember it was empty before!

my MSN name is jemnezmy@gmail.com , but i prefer not to use that address for sending&receiving email. i leave it signed in all the time even when i'm not here so if i don't respond please don't think i'm being impolite.

my phone's broken again, but when it's fixed i'll see what i can do with my microphone. i am awful at singing but it makes me happy. i'll ask my friend to teach me how to sing it as i can't pronounce the russian words properly.

i've spent most of the time taking photos and making collages and drawing. i'm still totally obsessed....i don't have much of my art scanned in here but i'll show you if you're interested.

i missed the nine inch nails concert because my friend couldn't come and stay with me anymore, and i couldn't go alone since it was in london. i sold my tickets though and used the money to get some for eminem in september. i'm really excited and i really hope i'll have someone to take with me when the time comes. it sucks because the few friends i care about live in completely different countries. i have not liked any of the people i met in oxford enough to stick with them, so it feels like i'm killing time until i get to hang out with someone i do. i sleep, eat, listen to music and make pictures by myself til i can.

i feel quite wrong for not letting you know where i went. the whole thing was just way too weird.

i am really happy you are okay also, since you seem always to be in some kind of hazardous occupation...though you always seem like you can look after yourself.

tell me more about what's happened to you or ask me stuff or....anything at all, really. it'll just be cool to talk to you again.

Ugh...gender roles confuse me. I don't think the problem'll ever get solved, although if it's something trivial like highlights that is...fucked up. I wonder what would happen if there was a male equivalent of feminists?

As for your uncle's cancer...it's highly unlikely to help, but - my mom runs a Cancer help/research charity, which uses a different method of...treating the patient, I guess. She tells me about it a lot of the time, there's quite high survival rate (that sounded bad).It's very clever, I don't understand most of it. The website's here - www.canceraction.org.gg

I don't know if it'll be of any use...and sorry for such a shameless plug. *looks embarrassed*

Ah...did you look at the part of the website titled "In Extremis"? That's for advanced/"too late" cancer, and it mentions liver cancer also. It says a couple of lines down that the treatment has saved 60%-70% of terminal patients....

As you say, it might be already "too late"...in which case you have nothing to lose. Maybe you should give your uncle the web address?

Sorry, I probably have more faith in it because she's my mom, but I've seen this work

Heh, you're welcome. If he asks where you got the web address, just say you used a search-engine or something like that.

LhSmShkA3 (02:22:13): You apparently knew my AIM and my trip even though I only been here two months

jemnezmy (02:22:27): i knew your aim because you posted it in a thread today, smartass

LhSmShkA3 (02:22:41): lol not wat I meant

jemnezmy (02:23:26): what did you mean then?

LhSmShkA3 (02:24:12): Why if you've been lurking here all along did you only say something once I figured out your RL info?

jemnezmy (02:24:51): because i was pretty happy to let it unfold for itself, its kind of like watching a train wreck if you know what i mean

LhSmShkA3 (02:25:04): You wanted to be found?

jemnezmy (02:25:15): not really, i hadnt really thought about it

jemnezmy (02:25:20): i just didnt see what i could do;

jemnezmy (02:25:30): theres no point in contacting the admin or trying to get the site taken down

jemnezmy (02:25:35): cause theyd just make a new one

jemnezmy (02:25:40): so i may as well observe it

LhSmShkA3 (02:25:56): Control it, shape it even?

jemnezmy (02:26:07): maybe heh

jemnezmy (02:26:15): coulda dropped some red herrings >.>

jemnezmy (02:26:44): plus, in this kind of sick way its both funny, sad, and an ego boost to see people idolising you into something that doesnt resemble you at all.

jemnezmy (02:26:55): if it was about you, you might be fascinated too.

LhSmShkA3 (02:27:04): I was fascinated anyway

jemnezmy (02:27:37): the pictures of cracky originated just cause i was really bored one night around new years. the others are all from my personal life/many journals that have been plundered and stuff. and its just weird to see how its all amalgamated.

LhSmShkA3 (02:28:36): Hmm yeah but you could have stopped it there and then, if you hadn't gotten snacks to do all that stuff

jemnezmy (02:28:50): huh? the bannination?

LhSmShkA3 (02:29:08): amongst other things, do you still lurk/post on /b/ btw?

jemnezmy (02:29:13): he asked me if i wanted it done and i said yes without knowing the repercussions o.o

jemnezmy (02:29:16): when i'm bored, yep

jemnezmy (02:29:26): dont post, do lurk

LhSmShkA3 (02:30:05): Do you want me to keep quiet about all this?

jemnezmy (02:30:15): about talking to me?

LhSmShkA3 (02:30:19): Yeah

jemnezmy (02:30:25): for the time being please >_>

jemnezmy (02:30:43): maybe i should post on the board but that would just be DRAMAZ

jemnezmy (02:30:49): have been debating it but eh.

LhSmShkA3 (02:30:56): Sure, funny thing is I got almost everything else, can I ask you one question. What's your real first name

jemnezmy (02:31:12): tell me my last name first <.<

LhSmShkA3 (02:31:30): Don't know that I know your brother and sisters not yours

jemnezmy (02:31:42): i don't have a sister.

LhSmShkA3 (02:32:34): Really?

jemnezmy (02:32:42): really.

LhSmShkA3 (02:33:33):

3.4.2.3.3.1.2.1.[by Carmen Wheatley] Alexander Lane (*1992)

3.4.2.3.3.1.2.2.[by Carmen Wheatley] Olivia Lane (*1996)

LhSmShkA3 (02:33:44): Unless you are olivia ?
jemnezymy (02:33:48): Yes.
jemnezymy (02:33:53): where'd you come up with a sister?
jemnezymy (02:34:03): also wtf
jemnezymy (02:34:05): 1996???
LhSmShkA3 (02:34:14): That's why
jemnezymy (02:34:21): lewlz
LhSmShkA3 (02:34:21): 1986 i guess
jemnezymy (02:34:26): 1989
jemnezymy (02:34:33): i'm 17
LhSmShkA3 (02:34:53): Ah ok that means you are a Rothschild, so you really the Illuminati then that would explain a lot :P
jemnezymy (02:35:04): yes, but uhh
jemnezymy (02:35:04): haha
jemnezymy (02:35:11): dont have much connections to that side of the family
jemnezymy (02:35:12): besides blood
jemnezymy (02:35:17): none of that moneys was inherited >_>
LhSmShkA3 (02:35:35): Yeah sorry about saying that
jemnezymy (02:35:35): but i'm still a freaking jew.
jemnezymy (02:35:44): on the board?
LhSmShkA3 (02:35:49): never mind
jemnezymy (02:36:02): i think something just went over my head
jemnezymy (02:36:15): did you email to the email on the cancer action website?
LhSmShkA3 (02:36:21): Yup, why?
jemnezymy (02:36:26): @ cwgsy thingy
LhSmShkA3 (02:36:29): yeah

jemnezymy (02:36:45): i'm not sure if that email is active anymore; my moms personal email is different and that is where she conducts most of her work now
jemnezymy (02:36:50): but we'll find out
jemnezymy (02:36:53): god we'll find out o_o;;;;
LhSmShkA3 (02:37:19): I guessed it wasn't her personal one, sorry bout that even apologised in the email. I kinda guessd it'd cause trouble
jemnezymy (02:37:34): you...didnt have to take quite such a drastic step, but nevermind whats done is done
jemnezymy (02:37:40): whether anyone reads it or not.
LhSmShkA3 (02:37:47): thought it was better than phoning or turning up on the doorstep
jemnezymy (02:37:58): what address did you get anyway?
LhSmShkA3 (02:38:03): lots
jemnezymy (02:38:13): i have moved house...a lot.
LhSmShkA3 (02:38:44): 4 richmond road oxford, didn't get the Guernsey one but I figured out it was somewhere on icart point
jemnezymy (02:39:08): icart point? don't think theres anywhere in guernsey called that.
jemnezymy (02:39:20): its in the north of the island anyways
jemnezymy (02:39:31): but yeah you got my moms address right, i dont live there anymore though.
LhSmShkA3 (02:39:38): Ah ok
jemnezymy (02:39:41): i'm not on good terms with my parents :/
LhSmShkA3 (02:40:06): hmm :/ sorry bout that especially if I make it worse
jemnezymy (02:40:24): well it might cause some drama but i'm used to dealing with it.
LhSmShkA3 (02:41:31): well I'm happy, just need to find some other project now...
jemnezymy (02:41:42): i was about to ask, what are you going to do now?
LhSmShkA3 (02:42:26): No idea, this isn't my first little internet detective work, usually I'm an /i/nsurgent
jemnezymy (02:42:38): join the feds!
LhSmShkA3 (02:43:01): lol not my style sorry, don't think I'm cut out for working for the good guys

jemnezymy (02:43:39): haha, i somehow didnt think so. ironic they could put you to good use
jemnezymy (02:44:22): i'll brb a sec.
LhSmShkA3 (02:44:32): 'k
jemnezymy (02:45:49): back.
jemnezymy (02:46:38): hmm i'm not sure what to say
jemnezymy (02:46:45): too many questions
LhSmShkA3 (02:47:27): Well if you got anything to ask I'll happily answer. I pried into your life, whether you knew about it or not. 's only fair to return the favour
jemnezymy (02:47:39): what got you started anyways?
LhSmShkA3 (02:48:09): The hidden rar of the video in a /b/ post made by Whatbandages
jemnezymy (02:48:24): juice video>?
LhSmShkA3 (02:48:51): The video where you're pouring grape juice or something...
jemnezymy (02:48:56): yeah
jemnezymy (02:49:08): not the most prolific video ever, i made it for a friend of mine on request
LhSmShkA3 (02:49:42): That and when I found your nekofox profile
jemnezymy (02:49:43): according to bounce me though , its good enough to put on a 6 hour loop
LhSmShkA3 (02:49:46): Bio (i am a lukewarm cup of coffee in a cracked blue china mug)
LhSmShkA3 (02:49:54): Kickstarted a few memories
jemnezymy (02:50:01): such as?
LhSmShkA3 (02:50:38): Not sure, remebered it from back on 420. Was about then but not really paying much attention
jemnezymy (02:50:52): ah
LhSmShkA3 (02:51:22): I lurked the /cracky/ board but wasn't really into finding stuff then
LhSmShkA3 (02:51:57): oh btw there's an archive of old deadjournals <http://nekofox.trinary.deadjournal.org/profile>
jemnezymy (02:52:10): yeah, what prompted me to post on the 420 board was mainly i found a pic posted that was really really recent, so i figured someone had been somehow snooping in my new photobucket and freaked out.
jemnezymy (02:52:29): and with crackypedia, i wrote to alsa at the request of my boyfriend at the time who was creeped out by it >.>
LhSmShkA3 (02:52:43): Heh don't blame him
jemnezymy (02:53:02): now i gotta tell my current boyfriend all about this tonight 0_0
LhSmShkA3 (02:53:23): Oh yeah I guess, sorry bout that too then
jemnezymy (02:53:51): well he knows all abotu cracky and stuff, hes been my best friend for 4~ years even when i was dating another guy. and he knows about the stalker board, but not the extent of it i think.

jemnezymy (02:54:12): also, he is somewhat involved in law enforcement, so i would like to hear his opinion.
jemnezymy (02:54:30): that archive is hecka nostalgia trip
LhSmShkA3 (02:55:50): Yeah it felt kinda weird digging through stuff that old but that's why it was so easy to find you
jemnezymy (02:55:59): indeed
LhSmShkA3 (02:57:12): I only found the archive 3 days ago so you see what I mean by it didn't take me long, just jump through all the links to the still active deadjournals and find some with comments
jemnezymy (02:57:22): aye
jemnezymy (02:57:44): well, if they did find out my parents address (and by extension really wouldnt be hard to find me IRL), what would they even do?
LhSmShkA3 (02:58:47): Depends your "fans" probably are going to do much the same as me maybe with less trolling and more declarations of love. /b/ might not do anything, /i/ or something might but probably not
jemnezymy (02:59:04): doubt i'm the kind of person to get /i/'d
LhSmShkA3 (02:59:25): Probably not the whole cracky thing was too long ago
jemnezymy (02:59:36): and my impression of -ahem- fans is that they are mostly harmless. though people like suede may pay a personal visit though o_O
jemnezymy (02:59:39): whats really ironic is
jemnezymy (02:59:47): i was in his city (birmingham) just 3 weeks ago.

jemnezymy (02:59:53): kinda funny when ya consider it
LhSmShkA3 (03:00:49): BTW I live in * just so you know
jemnezymy (03:01:01): cool
jemnezymy (03:01:17): what do you do in RL/
jemnezymy (03:01:20): ?*
LhSmShkA3 (03:02:06): *
jemnezymy (03:02:15): *
LhSmShkA3 (03:02:51): *
LhSmShkA3 (03:03:03): *
jemnezymy (03:03:08): *
jemnezymy (03:03:59): *
LhSmShkA3 (03:05:17): Hmm it's shit, but it's life. Messed up childhood not prepared for adulthood, it's not really that uncommon
jemnezymy (03:05:33): yeah, pretty much
jemnezymy (03:06:03): most children dont survive it to adulthood un-fuckedup, its just a matter of how lightly you get off
jemnezymy (03:06:29): i have problems with being reclusive, i seldom leave the house unless its to go to work or to buy food and necessities :|
LhSmShkA3 (03:06:47): Ah yeah that's a big problem for me too
jemnezymy (03:07:06): also i was on/off prozac for a while, not on it atm but my doctor doesnt know that...
jemnezymy (03:07:37): welcome to my mental history :D
LhSmShkA3 (03:07:51): Been on all kinds of stuff before mostly it just makes me detached , like I'm not really all there usually don't like meds of any kind
jemnezymy (03:07:58): same here
jemnezymy (03:08:11): they dont really help bad feelings at all, just cause one to be removed from them
jemnezymy (03:08:25): bit pointless really
jemnezymy (03:08:27): are you *?
LhSmShkA3 (03:08:33): Yeah
jemnezymy (03:08:39): neat
jemnezymy (03:08:56): i've never been to *
LhSmShkA3 (03:09:09): Moved around a lot as a kid so I lived in most parts of *
jemnezymy (03:09:35): i also moved around a lot but my parents moved countries as well -_-
jemnezymy (03:09:39): and land masses.
LhSmShkA3 (03:10:16): Hmm never had that problem mostly lived in tiny places where the school is like 20 people
jemnezymy (03:10:25):yeah me too
jemnezymy (03:10:28): when i wasnt home schooled
jemnezymy (03:10:48): which was a lot
jemnezymy (03:10:58): i lived in switzerland for a bit in buttfuck nowhere, the alps
jemnezymy (03:11:06): then guernsey
jemnezymy (03:11:07): which is like hicksville for rich people
jemnezymy (03:11:15): now oxford
LhSmShkA3 (03:11:35): hmm is that where all the snowy pics were taken if you don't mind me asking?
jemnezymy (03:11:38): yes
jemnezymy (03:11:47): esp. the ones of me as a kid
LhSmShkA3 (03:12:37): Is oxford a nice place never been much anywhere south of the border apart from london
jemnezymy (03:12:59): its very quaint
jemnezymy (03:13:01): pretty peaceful
jemnezymy (03:13:11): quite good looking as cities go too
LhSmShkA3 (03:13:50): Yeah "city of dreaming spires" and all that
jemnezymy (03:13:57): yep
jemnezymy (03:14:57): i guess i like it, its not an oppressive place at all. but i'd rather live with my boyfriend or something.
LhSmShkA3 (03:15:00): "Bleed my puppets, bleed!" Was that you 'cos it's fucking funny

jemnezymy (03:15:04): yes it was :P
jemnezymy (03:15:14): the reply was pretty good too, from the abyss guy?
jemnezymy (03:15:18): omg
jemnezymy (03:15:24): i want them all to carve Lianne into their arms
LhSmShkA3 (03:15:24): You know one guy actually carved his name in his arm?
jemnezymy (03:15:27): yes
jemnezymy (03:15:28): i do
jemnezymy (03:15:33): hi fucking larious
jemnezymy (03:15:54): most of all because its not my name
LhSmShkA3 (03:16:26): True i think I said something similar at the time, there's someone who's got a tatto on their wrist too
jemnezymy (03:16:34): srsly? wow
LhSmShkA3 (03:16:50): It says "Otome Kakakshi" in hirigana
LhSmShkA3 (03:16:58): Means scarecrow maiden
jemnezymy (03:16:58): what does that mean
jemnezymy (03:17:01): ah
jemnezymy (03:17:10): crazy
LhSmShkA3 (03:17:10): Which is slightly more sensible
jemnezymy (03:17:15): yes
LhSmShkA3 (03:17:19): But still crazy
LhSmShkA3 (03:17:55): I'm afraid you haven't left any permanent mark on me :P
jemnezymy (03:18:12): i feel like such a failure
LhSmShkA3 (03:19:47): BTW how do you feel about the religious stuff the rest I get but...
jemnezymy (03:20:01): what exactly are you referring to?
jemnezymy (03:20:10): the "cracky is a goddess" shite?
LhSmShkA3 (03:20:45): Yeah TBH I think cracky will outlive you by quite a bit at this rate, I mean if a carpenter can manage it
jemnezymy (03:20:59): me too..scary thought
jemnezymy (03:21:06): what have i done xD
jemnezymy (03:21:29): i guess i could be the patron goddess of the INTERNET HATE MACHINE?
LhSmShkA3 (03:22:02): lulz I love scaremongering journalism
jemnezymy (03:22:06): me too
jemnezymy (03:22:10): that was clip was great
jemnezymy (03:22:35): i dont have tv reception where i live but to my knowledge the bbc never goes quite as overboard as the americans
LhSmShkA3 (03:23:28): Meh it was mostly Wuori's fault
LhSmShkA3 (03:24:40): anyway that's all /i/ stuff
jemnezymy (03:24:46): yep
LhSmShkA3 (03:26:51): Anyway I'll keep the pictures secret for a while at least, caused enough drama already. Got millions of stalkers now asking me questions, think I know how you feel ><
jemnezymy (03:27:17): lawl, a while?
LhSmShkA3 (03:27:18): Want me to delte my threads or just leave them up?
jemnezymy (03:27:27): don't care either way
LhSmShkA3 (03:27:31): Like months/years dun worry
jemnezymy (03:27:34): heh
jemnezymy (03:27:49): even alsa's pics got out so eh :P we'll see how long these stay offline
LhSmShkA3 (03:28:38): Well unless there's an uberl33t haxx0r amongst your fans you're going to know who to blame xD
jemnezymy (03:28:46): indeed
jemnezymy (03:30:32): so are you a night owl too?
LhSmShkA3 (03:30:58): Yeah
LhSmShkA3 (03:31:21): *
jemnezymy (03:31:32): *
jemnezymy (03:31:37): i'm crap at it

jemnezymy (03:31:55): sleep best during the day, or 6am onwards -_-
LhSmShkA3 (03:32:08): Same, odd
jemnezymy (03:32:23): must be a mental people thing
LhSmShkA3 (03:32:42): must be
jemnezymy (03:40:00): how old are you out of curiosity?
LhSmShkA3 (03:40:02): 23
jemnezymy (03:40:34): funny most of the guys on the board appear to be in their 20s?
LhSmShkA3 (03:40:53): I'd guess
jemnezymy (03:41:31): pretentious anonymous hasnt posted much lately
jemnezymy (03:41:50): i wonder if he finally choked on his own cock >.>
LhSmShkA3 (03:42:01): Nope, he's funny as fuck
jemnezymy (03:42:20): i lol when i actually make it through one of his posts.
LhSmShkA3 (03:42:54): Mind you there's always one person like him on every board, either that or he gets around alot
jemnezymy (03:43:03): maybe its his hobby
jemnezymy (03:43:09): we all have to have hobbies
LhSmShkA3 (03:43:36): True, you just wrecked mine though :/
jemnezymy (03:43:45): crap haha
jemnezymy (03:44:22): btw, my friend who is an ex cracky stalker is really pissed that you found out my irl
information. he never managed to.
jemnezymy (03:44:36): he did find my aim sn though which is how we became friends 0_o
jemnezymy (03:44:49): he is also the person who made me aware of the board in the first place.
LhSmShkA3 (03:44:51): Oh well that's odd
jemnezymy (03:45:02): i think he views it as a stalk off
LhSmShkA3 (03:45:11): He wouldn't happen to be canadian?

jemnezymy (03:45:16): no
LhSmShkA3 (03:45:21): Ah nvm then
jemnezymy (03:45:29): probably not someone you personally know
LhSmShkA3 (03:45:59): I doubt it, doesn't matter anyway
jemnezymy (03:46:22): yep
LhSmShkA3 (03:47:22): You still much of a weeabo?
jemnezymy (03:47:48): not really
jemnezymy (03:47:55): cant remember the last time i watched an anime or listened to jpop
jemnezymy (03:48:04): or said "BAKA KAWAII NE ^_^!!!"
LhSmShkA3 (03:48:09): lol
jemnezymy (03:48:17): the furthest i go is downloading craptons of hentai
jemnezymy (03:48:22): these days.
jemnezymy (03:48:49): oh and i gave away and sold like 95% of my gosurori stuff so yeah
jemnezymy (03:48:53): along with the dolls and all
LhSmShkA3 (03:49:11): gosurori? sorry don't speak weeabo at all
jemnezymy (03:49:16): gothic lolita
LhSmShkA3 (03:49:20): Ah k
jemnezymy (03:50:24): so yeah um...i'm pretty much out of that phase <_<
LhSmShkA3 (03:50:46): Probably not a bad thing
jemnezymy (03:51:05): i'd get pretty sick of me if was still talking about "Sesshie is mah bishie xD"
jemnezymy (03:51:36): i'm not fat or ugly enough or cosplay enough to be a weaboo anyway hehe
LhSmShkA3 (03:51:42): lol
jemnezymy (03:51:43): and i dont eat enough ramen
jemnezymy (03:51:48): or pocky...
LhSmShkA3 (03:52:51): Wut do you think of all your imitators, I can only think of about two camwhores who never
did that. The red bits on face and ears thing is seriously overdone...
jemnezymy (03:53:13): i showed Faux to my boyfriend
jemnezymy (03:53:14): he said

jemnezymy (03:53:21): "she makes a better Cracky than yoU"
jemnezymy (03:53:23): u*
jemnezymy (03:53:35): and suggested a deathmatch
jemnezymy (03:53:49): the others, well, theres that one macro...
jemnezymy (03:53:58): "There is no Win without Fail"?
LhSmShkA3 (03:54:04): lol true
jemnezymy (03:55:34): i personally dont really understand it
jemnezymy (03:55:50): how it become so cult-tastic anyway
LhSmShkA3 (03:56:21): Don't get it myself, it was really the only reason why I got into all this
jemnezymy (03:56:54): like wtf. teen girl in crappy weaboo outfit with lipstick on her face = win? o_O
jemnezymy (03:57:10): i guess, the pics that subsequently where found in my various journals and photo albums
fueled it a lot
LhSmShkA3 (03:57:27): Yeah, it was really stalking feeding on stalking not much else
jemnezymy (03:57:41): snowball effect!
jemnezymy (03:58:01): like look at all the other female camwhores on /b/, why dont they get this kind of cult?
jemnezymy (03:58:32): especially when they show tits and vayjay and actually look like women as opposed to a
demented fox >_>
LhSmShkA3 (03:58:45): lulz
LhSmShkA3 (03:59:41): Think tbh it was because you appeared to run from the attention everyone just gave chase
without thinking, downside to being legion
jemnezymy (03:59:49): haha true
LhSmShkA3 (03:59:53): You tend to follow not think
jemnezymy (04:00:06): and here we are...hummm
LhSmShkA3 (04:00:13): uh
jemnezymy (04:01:16): i should probably phone the boyfriend and tell him about my wacky day in internet land now...
jemnezymy (04:02:13): i'll be around.
LhSmShkA3 (04:02:18): sure, well don't know if I'll be on this aim much but if you want to talk my email is
Icarus!LhSmShkA3c@yahoo.com I think
jemnezymy (04:02:27): ok, gotcha
LhSmShkA3 (04:03:07): Might need to hide from the angry stalkers myself, was nice talking to you and contrary to
everything I heard you seem like a real person not an anime character :P
jemnezymy (04:03:15): shocking, isnt it.
LhSmShkA3 (04:03:24): xD
jemnezymy (04:03:41): ha, ok. til we meet again.
LhSmShkA3 (04:03:47): k cya

THEN THE SEX CRAZED PARANOID LUNATIC FORGETS HIS MEDS...

LhSmShkA3 (17:04:39): Y'know if you & your boyfriend stopped lying to people and stopped winding them up they
might stop looking xD, spain huh, nice place but too hot for my tastes
LhSmShkA3 (17:09:35): Or is it italy now nvm, I really dun't get it anyway. Why pull all those stunts o_0 it just makes
people more curious not less
jemnezymy (17:09:55): wha?
jemnezymy (17:09:58): what are you talking about?
jemnezymy (17:10:12): i dont know anything about spain/italy, my mom is spanish but i never been there
LhSmShkA3 (17:13:16): 90009
jemnezymy (17:14:00): eh?
jemnezymy (17:14:52): im completely confused, what are you referring to?
LhSmShkA3 (17:15:19): PROTIP: when talking to people on AIM make sure it's not the same as your LJ
jemnezymy (17:15:43): are you referring to my jemnezymy lj?
jemnezymy (17:15:55): cuz i dont write in it, and if i really cared enough i would have made an alias aim sn
LhSmShkA3 (17:17:37): <http://corbenfrost.livejournal.com/profile>
jemnezymy (17:18:09): what about him?
LhSmShkA3 (17:18:37): Aside form the fact he knows the bounceme admin, he has <http://90009.livejournal.com/>

jemnezymy (17:19:12): that's not his journal
LhSmShkA3 (17:19:32): I know it's yours "lia"
jemnezymy (17:19:35): nor does he know bounceme admin
jemnezymy (17:19:40): eh?
jemnezymy (17:19:53): you think 90009 is me?
LhSmShkA3 (17:20:39): Yes
jemnezymy (17:20:55): i hate to disappoint you, but its not. my art would never suck that much.
jemnezymy (17:21:04): however, feel free to believe what you like :D
LhSmShkA3 (17:21:28): Lulz, seriously did you ever even have any stalker or did you make them all?
jemnezymy (17:21:51): what are you implying?
LhSmShkA3 (17:22:21): That the whole cracky-chan thing was a game from the start
jemnezymy (17:22:30): nope
jemnezymy (17:22:57): it may have turned into one, but thats really just: you can either get really upset by it or you can play people back and laugh at them.
jemnezymy (17:23:24): i never wanted to have my privacy invaded but it was really my fault in the first place for posting on /b/, but it was out of boredom and i never expected this o.O
LhSmShkA3 (17:24:38): Hehe, don't belive a word you say but it is quite a clever little game you're running.
jemnezymy (17:25:27): well if you think thats how it is, then thats for you to believe, but i'm not a bored enough person to run a game.
jemnezymy (17:27:20): why do you think 90009 is me anyway? i'm personally quite offended >.>
LhSmShkA3 (17:28:29): Aside from the fact that corben who I'm gueesing is your boyfriend linked it and it ahs lia as the name
LhSmShkA3 (17:28:38): guessing*
jemnezymy (17:30:03): He is my boyfriend; and my nickname is Lia. however, I would never be stupid enough to put Lia as my name, or even to post publically.
LhSmShkA3 (17:31:03): Given how much I already managed to find I doubt that
jemnezymy (17:31:24): Please, go ahead and stalk this Lia then.
LhSmShkA3 (17:32:05): I'm not really into stalking, I was interested in whatever little game you got running at bounceme
jemnezymy (17:32:58): well, i have no game running. i didn't start reading the board every day til a couple weeks ago, though i use to check it sporadically. i have started posting Anon but that's pretty much it, and none of my posts are image posts.
LhSmShkA3 (17:34:37): And yet your boyfriend has a friend called gary who goes by variations on the word void & you don't recognise WB the number one tripfag who also happens to be in law enforcement of some kind. I don't believe in cooincidences...
jemnezymy (17:34:58): conzpirazzzieez
jemnezymy (17:37:21): well i was impressed by you finding out my rl info but you're overthinking this now and completely off track.
LhSmShkA3 (17:38:29): uh huh it's not really that I mind it just seems odd, all these little things that just all seem to fit so well.
jemnezymy (17:38:43): they fit because you want them to, not because they do.
jemnezymy (17:39:13): and, personally, the only thing i find offensive is how completely off the mark you are. plus how terrible the art in 90009 is <_<
jemnezymy (17:39:36): you are welcome to believe what you want though, cause in the overall scheme of things why does it matter?
LhSmShkA3 (17:39:43): Precisely
jemnezymy (17:42:04): it is pretty much impossible for me to comment on anything publically without fuelling the fire and stuff, like with 420chan. its a big big snowball so now its built up its not like i can ignore it these days.
jemnezymy (17:42:21): and its pretty much over nothing, i am not an extraordinary person.
LhSmShkA3 (17:42:48): It's not about you though, not for me anyway.

jemnezymy (17:42:54): right.
jemnezymy (17:42:56): it isnt about me
jemnezymy (17:43:02): cracky chan isnt me, nowhere close-

jemnezymy (17:43:08): its something else completely
jemnezymy (17:43:10): a phenomena
jemnezymy (17:43:19): its a projection for all these guys lonely desires and dreams and crap
jemnezymy (17:43:29): as well as a game, finding out pieces of info, trading them.
jemnezymy (17:43:46): from what my friend tells me, theres a lot of tit for tat info swapping
jemnezymy (17:44:34): and well, whatever cracky chan is, or is perceived to be, has absolutely nothing to do with who i am as a real person. and yet, they either dont realise or dont care, and wish to take it beyond the borders of imagination (the internet) into the real world.
jemnezymy (17:45:02): i'm responsible for the pics, but they are responsible for idolification and everything else in that can o worms.
jemnezymy (17:45:41): now, i can ignore them, but with all this stalking going on, wouldnt the best thing be to lurk? thats why i really only paid a lot of attention to the bounceme board recently - 420 chan was a LOT more stalkery, bouncme for a while was just general fanboy wank pic swap
jemnezymy (17:46:01): at least i can keep up to date with crap thats going on. i would never have seen your post, for instance.
jemnezymy (17:48:24): if i ask for my privacy to be respected /w a proof pic or whatever, that in itself can be accused of attention whoring, or just asking for more trouble, due to the very nature of it being me posting.
jemnezymy (17:48:49): besides, although there are the fanboys who would i think, theres more sinister people who i doubt would
jemnezymy (17:49:06): so, i keep quiet and let people slowly dig through remnants of my private life?
jemnezymy (17:49:11): its a lose/lose situation
jemnezymy (17:49:53): srsly, what would you do?
jemnezymy (17:50:08): i may as well take an interest in it now its gotten to this point.
LhSmShkA3 (17:50:27): Nothing, let it die down on it's own, not involve people I know IRL in it or whatever
jemnezymy (17:51:17): well, i've been waiting for it to die down, and only a few of my irl friends know. but it wont die down - its taken on a life of its own, pretty much
jemnezymy (17:51:17): i feel like dr frankenstein >.>
LhSmShkA3 (17:52:37): TBH I don't believe a single word you say. I think WB is your boyfriend I think bounceme is run by a friend of his and I think you're either succesfully trying to fuck with people's heads or unsuccessfully trying to calm things down
jemnezymy (17:52:52): okay then o_____O
jemnezymy (17:53:06): thank you, come again.
LhSmShkA3 (17:53:45): Meh shouldn't matter to you what I think really
LhSmShkA3 (17:56:32): Guess we're gonna find out if WB is your boufriend I really hope I'm right 0_o
LhSmShkA3 (17:56:40): *boyfriend
jemnezymy (17:57:43): how you gonna do that? you gonna ask him or wut?
LhSmShkA3 (17:57:53): lulz
jemnezymy (18:02:42): you didn't answer my question
LhSmShkA3 (18:02:50): yes
jemnezymy (18:03:13): how are you going to verify it?
LhSmShkA3 (18:04:19): verify what
jemnezymy (18:04:35): that WB is apparently my BF? cuz if he is, i'm unaware of it =P
LhSmShkA3 (18:06:54): uh-oh drama incoming, duck
jemnezymy (18:07:02): from where?
jemnezymy (18:07:14): grate
jemnezymy (18:10:13): whilst i appreciate the publicity, i hope you will not stoop so far as to impersonate me further <.<
LhSmShkA3 (18:11:00): Don't worry not gonna impersonate you just gonna tell everyone what I know
jemnezymy (18:11:08): including what?
jemnezymy (18:11:10): my RL info?
LhSmShkA3 (18:11:14): Maybe
jemnezymy (18:11:18): why?
LhSmShkA3 (18:11:21): why not
jemnezymy (18:11:38): because its going to cause massive drama for me irl?

LhSmShkA3 (18:11:45): so...
LhSmShkA3 (18:11:52): I'm not a big fan tbh
LhSmShkA3 (18:12:21): I got interested but it was in the mystery and secrets not the girl
jemnezmy (18:12:58): of course, its probably naiive of me to think you would respect my privacy as well. however i figured it was for your own interests, not the benefits of others.
LhSmShkA3 (18:13:14): lul meaning what, was that a threat
jemnezmy (18:13:22): nope
jemnezmy (18:13:33): i don't have any threats to throw at you
jemnezmy (18:13:38): theres not much i can do right?
LhSmShkA3 (18:14:57): No, sorry there's way too much silly shit going on for me to trust a word you say, if you are being honest then sorry but your fans playing games screwed you and if it's you/your friends that's behind it then I have no sympathy
jemnezmy (18:15:23): i'm not asking for your sympathy.
LhSmShkA3 (18:15:34): Then what...
jemnezmy (18:16:05): respect to make my life a little less crap? my family already resent me enough, than to have random anons phoning and harrassing them as a resuly.
jemnezmy (18:16:08): result*
LhSmShkA3 (18:18:08): Again the question is why, that might be what's going to happen that's a consequence not a reason
jemnezmy (18:18:34): because if my friends or whatever have nothing to do with bounceme, you were wrong and you did the damage?
LhSmShkA3 (18:20:36): And? it boils down to win/win for me tbh I post info, ruin your game or win internets for tracking down info about cracky. Not posting does what? I have OMGZOR SEKRIT INFOS, I can troll as a tripfag with esoteric knowledge on bounceme. Not my taste really...
jemnezmy (18:21:25): well congrats then, go pat yourself on the back and have a pint.
jemnezmy (18:25:29): what're you going to do now anyways?
LhSmShkA3 (18:25:47): I dunno post it all over /b/ probably
jemnezmy (18:26:14): enjoy then _-_
jemnezmy (18:32:24): >5 not me btw
jemnezmy (18:32:36): would be kinda funny if they thought it was a look alike
LhSmShkA3 (18:40:55): Other than me and the idiot carving shit into his arm is there anyone here who isn't one of yours...
jemnezmy (18:41:33): well i maintain that nobody there is one of mine, but doesnt really make a difference now right?
LhSmShkA3 (18:42:07): Not really, I dunno maybe they all collapsed at the sight of you...
jemnezmy (18:42:23): or maybe theyre not even on?
LhSmShkA3 (18:42:43): on what?
jemnezmy (18:42:47): the board?
LhSmShkA3 (18:43:32): Well at least one IMed me, and there's obviously a few others.
jemnezmy (18:44:01): so whatd ya say to him?
LhSmShkA3 (18:44:12): Don't you already know...
jemnezmy (18:44:19): enlighten me
LhSmShkA3 (18:44:43): Asked him if he liked the picture
jemnezmy (18:44:51): lewl
LhSmShkA3 (18:52:22): O lawd, drama.

unrelated chat with jemnezmy. I don't really like my past self.

wish 27/11/2007 18:34:47 hi. you don't seem to be checking messages send to the myspace account with the

same name as this aim sn, so i just paste it here:

wish 27/11/2007 18:34:56 Hi,

you may or may not have noticed this fake account, as was posted on the board.
It was quite lulzy for a moment, but it went nowhere so it will be taken down
again. 11 people added it. Most of them where the usual suspects, but there were
also two that look as if they were not related to 4chan:

<http://www.myspace.com/mintghost>

<http://www.myspace.com/necronurse>

Maybe you care. Otherwise never mind.

jemnezmy 27/11/2007 18:52:12 huh?

jemnezmy 27/11/2007 18:52:23 who are you?

wish 27/11/2007 18:52:30 does that matter?

jemnezmy 27/11/2007 18:52:38 yes, actually

wish 27/11/2007 18:53:52 why? do you think somebody told me of this nick? no one did. If its not that,

i'm the one who posts artsy pics on 'the board' lol

jemnezmy 27/11/2007 18:54:11 i was just wondering where you got that really old pic of me

jemnezmy 27/11/2007 18:54:21 the black and white one from when i was 12?

wish 27/11/2007 18:54:24 yeah

jemnezmy 27/11/2007 18:54:26 and where'd alivia come from?

wish 27/11/2007 18:54:52 google nekofox for pic, find your guild wars name for alivia

jemnezmy 27/11/2007 18:55:03 howd ya do the latter?

wish 27/11/2007 18:56:17 why would i want to tell you? You'd only be more protective for everything you

say.. thats not verry healthy

jemnezmy 27/11/2007 18:56:32 i'm sorry? wanting some privacy is unhealthy?

jemnezmy 27/11/2007 18:56:48 when people are shooting their loads every opportunity they get to harrass me?

wish 27/11/2007 18:57:40 creating that myspace was not to harras with you, but with the other stalkers..

wish 27/11/2007 18:58:35 if you had checked your myspace pm's i would never had talked to you. If you

never had replied i never had talked to you..

jemnezmy 27/11/2007 18:58:47 i dont use the myspace connected to this email

jemnezmy 27/11/2007 18:58:50 i literally have never used it

jemnezmy 27/11/2007 18:58:52 afaik

jemnezmy 27/11/2007 18:59:10 so, uh, yeah. i got it so i could look at some pics on peoples accounts, thats

about it

jemnezmy 27/11/2007 19:00:01 anyway i'm not sure what your motive here is. why would you make a fake myspace

and why do you think i need to know about it. where are you going with this?

jemnezmy 27/11/2007 19:01:20 more so, why do you feel the need to hide your identity. HI I KNOW EVERYTHING

ABOUT YOU BUT I'M NOT GOING TO GIVE YOU ANY EXPLANATIONS, HA!

wish 27/11/2007 19:01:20 why create fake: bcs it was funny, and so i could have a general idea of how

many ppl lurk there and who. why would i want you to know: read message again?

wish 27/11/2007 19:02:10 oO wow chill.. i don't know much about you actually.. only a couple of nicks

jemnezmy 27/11/2007 19:02:57 i'm sorry but every time some random person contacts me who i have no idea who

they are and starts talking about cracky, i want to bash their skull in.

wish 27/11/2007 19:04:15 i'm sorry if i did that. but you started talking about cracky i think? i only

wanted to say there are still some ppl who knew you from your really old journal
out there.. its up to you what you do with that info

jemnezmy 27/11/2007 19:04:37 aight, well no hard feelings. its pretty useless to me.

wish 27/11/2007 19:06:07 so you read everything on the board?

jemnezmy 27/11/2007 19:06:11 yup

wish 27/11/2007 19:06:34 you like my images? :P hehehehe

jemnezmy 27/11/2007 19:06:54 i dont know which they are

wish 27/11/2007 19:06:57 (don't think you are the reason i post them)

wish 27/11/2007 19:07:09 like the drawings, art pieces

jemnezmy 27/11/2007 19:07:11 wow, that totally didn't sound like you think i'm self centred.

jemnezmy 27/11/2007 19:07:24 yeah, thats pretty vague

wish 27/11/2007 19:07:42 there aren't many pics posted besides pics of you and op pics..

jemnezmy 27/11/2007 19:08:07 well the answer then is if i've seen them i prolly don't care either way.

wish 27/11/2007 19:09:37 >>...ike you think i'm self centred.

i said that bcs i said it like you would be the reason i post them.. you never
know what weird ppl would do such things

jemnezmy 27/11/2007 19:10:02 aight then.

wish 27/11/2007 19:12:54 oh well.. i started to type random things i say to random strangers, but i dont

think you care. Good luck with the rest of your life then.

jemnezmy 27/11/2007 19:13:03 thanks, you too

hello

i live in oxford and my passion/schoolwork is based around photography. i'm looking for models to pose in my photographs. i'm interested in anyone of any age/sex/nationality, but especially in children, teenagers & very old people (60+). i don't have any money to pay models (and i'm not making money from my photos) so any modeling

done would be in the spirit of fun with free copies of the pictures if you want them.

my journal is filled with both the kind of images i like/am attracted to/want to create as well as some of my own photographs, so you can look if you want.

if you know anyone who would enjoy doing something like this, please email me: migurushiiningyo@hotmail.co.uk and perhaps we can work something out.

thank you ^_^

Comment too long. Click here to view the full text.

Oh wow, I remember reading this years ago, and that her Hotmail roughly translates to ugly mermaid.

>> 2005-01-11 09:45 pm UTC Anonymous 09/10/04(Sun)19:24 No.3

it completely depends on the feeling i get from the model. i think it's much easier to base & create a photograph around the model for me right now than it is to find a model to fit a specific idea i have.

that said, i like weird, dreamy, odd, perverse or just plain beautiful kinds of photos. a few people commented that i have a slightly warped sense of beauty, but i don't know... those are the kind of photos i want to take - but whether i actually have the ability at the moment, i don't know. i'm a student, i'm trying to learn.

almost all the photos in my journal are selfportraits, but i find this really limiting and awkward as i don't have much control over the camera. also i don't particularly feel comfortable in front of it. (but if you're curious, here's one: <http://www.livejournal.com/users/scarecrowmaiden/21326.html#cutid1>)

i think i want to make much more striking pictures and i can't do that when the only model is myself. everything is so passive when the camera isn't in my hands.

as for where, probably somewhere in public in the city, like perhaps a graveyard, the park or public gardens, the canal, a cafe, church, etc. there's no space in my house and it's cramped and boring and i'd probably feel uncomfortable photographing a stranger there, anyway.

if its you yourself interested, and you feel okay with it, you could send me a photo of your face and then i'd be able to think in much more detail about the kind of photos i'd like to take...

>why she went to america in the first place?

You clearly have not been on here for very long.

She moved in with a guy, Dana, who she actually met on here. Or well - he came here. He "joined" the community and then managed to get in touch with her. He posted on pre-wipe Bounceme as Darrin Floen and later as ColourWatch. At that time, in 2007, she was still with some internet creeper who was in his thirties or something. They played a lot of WoW together and in the beginning of 2008 she went to Boston to visit him. At some point she left the other guy. For all we know she stayed with Dana in Boston and Oxford. Both of them were still in touch with various members of the "community" back then, but in the end of 2008 they disappeared from WoW and the internet in general. It seems that Ms. Olivia was somewhat ashamed of being with one of her "fans" and word about that got out. She may also have been annoyed by the harassment on WoW.

They may or may not be still together, nobody knows. If they have married or not - who cares. The only reason I could

imagine would be immigration issues\

Hello, this is Lia, whom you may know as cracky, etc.

Thought id better clear up some things re: the pics posted ealier. Yes i made them, no i didnt post them, you can thank icarus for that. After he posted his AIM sn, i messaged him out of curiosity, of course he refused to talk to me till i prooved who i am. Well, i knew he might post them, but ive been considering posting here for some time now, so i thought what the hell.

At first he said he wasn't going to post them at all, but after constructing the rather interesting theory that this board is run by myself and people i know (and that im dating whatbandages o_0)and you are all infact my minions and RL groupies he decided i deserved the 'dramaz' So there ya go.

Much as i wish i could say it was the case, I have no control over this board though i have been aware of its existance since its inception. Yes i do check it sometimes I do even post anon.

I would have mailed the admin requesting it to be taken down, but whats the point? It was put up immediatly after the 402 board went down so obviously the admin has no regard for my feelings on the subject. Therefore, why not read it at least to keep up to date on things.

Anyway i hope that clears things up. If you have any questions, feel free to ask. Im rather sick of plastering my face everywhere but since it is the only kind of proof in a sea of trollage, so here you go.

If the admin would oblige and take down the board, that would be cool, but i already expect everyone will just migrate to sued's stalking board and honestly wtf am i going to do. Ask him to take it down and anouther crops up in its place?

Also, wtf @ the chavette with the cornrows. Fail troll is fail.

Also, i fucking fail at trip codes.

Why is Cracky called the Sky Queen? What does she have to do with the sky? Was it her username (or related to one) on somewhere? Or is it because she is occasionally identified with a goddess (if so, why specifically the sky and not the underworld, dreams or whatnot?)
